Unassembled Wheelbarrow (80-100 and 120 Liters)

- Designed for professional use, our demontable wheelbarrows are manufactured for heavy duty and long-term operations.
- 0.7 mm galvanized sheet pressed in one piece for 80L and 100L sand carrying capacity. Ø32x1.2 mm steel industrial pipe on the chassis.
- 0.8 mm galvanized sheet pressed in one piece for 120L sand carrying capacity. Ø32x1.5 mm steel industrial pipe on the chassis.
- We use anti-rust long life tray. The edges of the tray are bended to form a safe operation and a solid structure on a special machine.
- The chassis and other metal parts are electrostatic powder coated thanks to painting.

Colour Options

- Depending on your order, all colours and "private label" options are welcome.
